INDEX OF AUTHORS

ANDERSON, ROY C. *Dipetalonema sprenti* n.sp. from *Castor canadensis* Kuhl. (With 12 Figures in the Text), 215

ARTHUR, D. R. The immature stages of *Ixodes frontalis* Panzer 1795. (With 8 Figures in the Text), 175

ARTHUR, D. R. The systematic status of *Ixodes percavatus* var. *rothschildi* Nuttall & Warburton, 1911. (With 12 Figures in the Text), 222

ARTHUR, D. R. The host relationships of *Ixodes hexagonus* Leach in Britain. (With 3 Figures in the Text), 227

ARTHUR, D. R. *Ixodes theileri* n.sp., with observations on species confused therewith. (With 16 Figures in the Text), 239

BURROUGHS, A. L. Sylvatic plague studies. X. Survival of rodent fleas in the laboratory, 35

CANNING, ELIZABETH U. A new microsporidian, *Nosema locustae* n.sp., from the fat body of the African migratory locust, *Locusta migratoria migratorioides* R. & F. (With 20 Figures in the Text), 287

CORLISS, JOHN O. Comparative studies on holotrichous ciliates in the *Colpidium-Glaucoma-Leucophrys-Tetrahymena* group. II. Morphology, life cycles and systematic status of strains in pure culture. (With 11 Figures in the Text), 49

CROFTON, H. D. *See* CUNLIFFE, G.

CUNLIFFE, G. and CROFTON, H. D. Egg sizes and differential egg counts in relation to sheep nematodes. (With 6 Figures in the Text), 275

DRAPER, C. C. Observations on the reciprocal immunity between some avain plasmodia, 139

ETHERINGTON, D. On a sporozoon in the coelomic corpuscles of *Phascolosoma minutum* Keferstein (Sipunculoidea). (With 19 Figures in the Text), 160

FYFE, M. L. *Otodistomum plunketi* n.sp., a large trematode from a Lord Plunket's shark, *Scymnodon plunketi* (Waite). (With 3 Figures in the Text), 187

GIBBS, ALFRED J. *Gurleya* sp. (Microsporidia) found in the gut tissue of *Trachea secalis* (Lepidoptera). (With 15 Figures in the Text), 143

HARVEY, A. E. C. *See* HEISCH, R. B.

HEISCH, R. B. On a spirochaete isolated from *Ornithodoros graingeri*, 133

HEISCH, R. B. and GUGGISBERG, C. A. W. On *Ornithodoros zumpti* n.sp., a new tick from South Africa. (With 10 Figures in the Text), 136

HEISCH, R. B. and HARVEY, A. E. C. The biology of *Ornithodoros graingeri* Heisch & Guggisberg, 1952, 131

JOBLING, B. On the blood-sucking midge *Culicoides vexans* Stager, including the description of its eggs and the first-stage larva. (With 4 Figures in the Text), 148

LAWRENCE, R. F. Two new mites from South African mammals (Listrophoridae, Sarcoptiformes). (With 4 Figures in the Text), 269

MACKERRAS, M. J. Lizard *Filaria*: transmission by mosquitoes of *Oswaldofilaria chlamydosauri* (Breinl) (Nematoda: Filarioidea), 1

MAWSON, PATRICIA M. Parasitic Nematoda collected by the Australian National Antarctic Research Expedition: Heard Island and Macquarie Island, 1948–1951. (With 19 Figures in the Text), 291

NEAL, R. A. Studies on the morphology and biology of *Entamoeba moshkovskii* Tshalaia, 1941. (With 43 Figures in the Text), 253

NEW, D. A. T. The reproductive habits and sex-determination of the nematode *Rhabditis pellio* Bütschli, with a note on its taxonomy and nomenclature, 94

PATERSON, H. E. and THOMPSON, P. M. A key to the Ethiopian species of the genus *Polyplax* (Anoplura), with descriptions of two new species. (With 12 Figures in the Text), 199

RADFORD, CHARLES, D. Four new species of 'harvest mite' or 'chigger' and a new fur-mite (Acarina: Trombiculidae and Listrophoridae). (With 15 Figures in the Text), 210

REES, GWENDOLEN. Some parasitic worms from fishes off the coast of Iceland. I. Cestoda. (With 20 Figures in the Text), 4

REES, GWENDOLEN. Some parasitic worms from fishes off the coast of Iceland. II. Trematoda (Digenea). (With 2 Figures in the Text), 15

REES, GWENDOLEN. A record of some parasitic worms from whales in the Ross Sea area, 27

REES, GWENDOLEN. Some parasitic worms from fishes off the coast of Iceland. III. Monogenea, Nematoda, Acanthocephala, 193

SMIT, F. G. A. M. Transport of Mallophaga by fleas. (With 1 Figure in the Text), 205

SMITH, KENNETH M. A note on the electron microscopy of the turnip yellow mosaic virus. (With Plate IX), 191

SMITH, KENNETH M. and XEROS, N. Studies on the cross-transmission of polyhedral viruses: experiments with a new virus from *Pyrameis cardui*, the Painted Lady butterfly. (With Plates III–VIII), 178

THOMPSON, P. M. *See* PATERSON, H. E.

THURSTON, JUNE P. The chemotherapy of *Erythrozoon coccoides* (Schilling, 1928). (With 1 Figure in the Text), 170

THURSTON, JUNE P. The chemotherapy of *Plasmodium berghei*. I. Resistance to drugs, 246

VERCAMMEN-GRANDJEAN, P. H. *See* WOLFS, J.

WATSON, J. M. Human trichostrongylosis and its relationship to ancylostomiasis in southern Iraq, with comments on world incidence. (With 3 Figures in the Text), 102

WILLETT, K. C. The laboratory maintenance of *Glossina*. I. (With 7 Figures in the Text), 110

WOLFS, J. and VERCAMMEN-GRANDJEAN, P. H. Two trombiculid larvae (Acarina: Trombidiidae) from Costermansville (Kivu Province, Belgian Congo) of which one is a new species: *Schöngastiella wansoni* n.sp. (With 7 Figures in the Text), 207

XEROS, N. *See* SMITH, KENNETH M.

YOSUFZAI, H. K. Shell gland and egg-shell formation in *Fasciola hepatica* L. (With Plates I and II and 1 Figure in the Text), 88

INDEX OF SUBJECTS

Acanthocephala from fishes off the coast of Iceland, 197
Acanthocephala from whales in the Ross Sea area, 32
Acarina: Trombiculidae and Listrophoridae, 210
Ancylostomiasis in southern Iraq, 102

Castor canadensis Kuhl, *Dipetalonema sprenti* n.sp. from, 215
Cestoda from fishes off the coast of Iceland, 4
Cestoda from whales in the Ross Sea area, 27
Chemotherapy of *Plasmodium berghei*. I. Resistance to drugs, 246
Colpidium-Glaucoma-Leucophrys-Tetrahymena group of holotrichous ciliates, 49
Culicoides vexans Stager, the blood-sucking midge, its eggs and first-stage larva, 148

Dipetalonema sprenti n.sp. from *Castor canadensis* Kuhl, 215
Drug resistance in *Plasmodium berghei*, 246

Egg sizes and differential egg counts in relation to sheep nematodes, 275
Electron microscopy of the turnip yellow mosaic virus, 191
Entamoeba moshkovskii Tshalaia, morphology and biology of, 253
Eperythrozoon coccoides (Schilling, 1928), chemotherapy of, 170

Fasciola hepatica L., shell gland and egg-shell formation in, 88
Fishes off the coast of Iceland, Cestoda from, 4
Fleas, survival in the laboratory, 35

Glossina, laboratory maintenance of, 110
Gurleya sp. (Microsporidia) found in gut tissue of *Trachea secalis* (Lepidoptera), 143

'Harvest mite' or 'chigger', four new species of, and a new fur-mite, 210
Holotrichous ciliates in the *Colpidium-Glaucoma-Leucophrys-Tetrahymena* group, comparative studies on, 49
Host relationships of *Ixodes hexagonus* Leach in Britain, 227
Human trichostrongylosis and its relationship to ancylostomiasis in southern Iraq, with comments on world incidence, 102

Immunity, reciprocal, between avian plasmodia, 139
Ixodes frontalis Panzer 1795, immature stages of, 175
Ixodes hexagonus Leach, host relationships in Britain, 227
Ixodes percavatus var. *rothschildi* Nuttall & Warburton, 1911, systematic status of, 222
Ixodes theileri n.sp., with observations on species confused therewith, 239

Laboratory maintenance of *Glossina*. I, 110
Lizard *Filaria*: transmission by mosquitoes of *Oswaldofilaria chlamydosauri* (Breinl), 1
Locusta migratoria migratorioides R. & F., parasitized by *Nosema locustae* n.sp., 287

Mallophaga, transport by fleas, 205
Microsporidia: *Gurleya* sp., 143
Microsporidia: *Nosema locustae* n.sp., 287
Mites from South African mammals, 269
Mosquitoes, lizard *Filaria* transmitted by, 1

Nematoda collected by the Australian National Antarctic Research Expedition: Heard Island and Macquarie Island, 1948–1951, 291
Nematoda from fishes off the coast of Iceland, 195
Nematoda from whales in the Ross Sea area, 30
Nosema locustae n.sp., a new microsporidian from the fat body of the African migratory locust, *Locusta migratoria migratorioides* R. & F., 287

Ornithodoros graingeri, Heisch & Guggisberg, 1952, biology of, 131
Ornithodoros graingeri, a spirochaete isolated from, 133
Ornithodoros zumpti n.sp., from South Africa, 136
Oswaldofilaria chlamydosauri (Breinl), transmission by mosquitoes, 1
Otodistomum plunketi n.sp., a large trematode from a Lord Plunket's shark, *Scymnodon plunketi* (Waite), 187

Phascolosoma minutum Keferstein (Sipunculoidea), a sporozoon in the coelomic corpuscles of, 160
Plague, studies of sylvatic. X, 35
Plasmodium berghei, chemotherapy of. I. Resistance to drugs, 246
Polyhedral viruses, studies on the cross-transmission of: experiments with a new virus from *Pyrameis cardui*, the Painted Lady butterfly, 178
Polyplax (Anoplura), a key to the Ethiopian species of the genus, with descriptions of two new species, 199
Pyrameis cardui, experiments with a new virus from, 178

Rhabditis pellio Bütschli, reproductive habits and sex-determination of, 94

Schöngastiella wansoni n.sp., a trombiculid larva from Belgian Congo, 207
Scymnodon plunketi (Waite), Lord Plunket's shark, parasitized by a trematode (*Otodistomum plunketi*), 187
Sheep nematodes, egg sizes and differential egg counts in relation to, 275
Shell gland and egg-shell formation in *Fasciola hepatica* L., 88
Spirochaete isolated from *Ornithodoros graingeri*, 133

Trachea secalis (Lepidoptera), *Gurleya* sp. (Microsporidia) found in gut tissue of, 143
Trematoda (Digenea) from fishes off the coast of Iceland, 15
Trematoda (Monogenea) from fishes off the coast of Iceland, 193
Trichostrongylosis in southern Iraq, 102
Trombiculid larvae from Belgian Congo, 207
Turnip yellow mosaic virus, electron microscopy of, 191

Whales in the Ross Sea area, parasitic worms from, 27
Worms from fishes off the coast of Iceland, 193
Worms from whales in the Ross Sea area, 27
